

Blue Birth

Original title: Blue Birth

After the success of Gust Van den Berghe's first feature, the young director is eager to make a second film, *Blue Bird* (Directors' Fortnight Cannes, Ghent Film Festival 2011). Impulsively, he leaves for remote Togo with only a small team and a minimal budget. When, at the start of production, a member of his crew suddenly dies, accomplishing his endeavour seems nearly impossible. By reconstructing the making of *Blue Bird*, *Blue Birth* reveals the interwoven journey of Gust and his fictional characters.
