Original title: Drop Hot

John Carrol is tired of his lethargic life in Miami. Disillusioned and deep in debt, he is offered what appears to be an easy drug run to Spain. But the deal goes horribly wrong at Bilbao Airport and he finds himself on the run from two murderous gangsters. After a case of mistaken identity, he ends up taking somebody else's place in 'The Hab', a retro-futuristic rehab centre for addicts on the Basque coast. There, he is relatively safe from the gangsters but has to confront himself and his own hard-living ways. When he finds out that the world-famous tennis player, Tiffany Gait, is one of his fellow alcoholics, he realises there is money to be made. But he is not the only one with high hopes, secret agendas and old demons to fight...
