

matter on its dance through time

Original title: matter on its dance through time

In an immense landscape, nature’s fragility and detail take on meaning. The moon shakes, a stone balances on a rock, a storm obscures an entire mountain range. Movements in the seemingly static landscape take on increasing significance. Visible frailty evokes vulnerability in the aftermath of sexual violence.

CREDITS

DIRECTOR: Jana Coorevits
PRODUCER: Jana Coorevits
WRITER: Charlotte Van den Broeck
CAST: frankie fleming
EDITING: Jana Coorevits
PHOTOGRAPHY: Jana Coorevits
