

Richard The Stork 2

Original title: Richard The Stork 2

Richard, the daring sparrow who was adopted by a stork family, is enjoying wintering at the Great Lake in northern Africa, when he realises he won't be the one to lead the flock back north. Therefore, he runs away to travel on his own. On his journey he meets Samia and her sparrow flock, who are being held captive by evil marabous under the control of the greedy peacock Zamano. The only chance of freedom for the sparrows is to solve a riddle and find the Great Jewel, which will require teamwork, trust and – most of all – 'spork' skills, skills that sparrows have learnt from storks.
