

Roomies S02

Original title: Roomies S02

Season two of *Roomies* takes us not only to the next level in Bibi and Ama's adult life, but also to the fifth floor of a huge 'anti-squat' apartment. Without the structure of college, and challenged by their new and rather unpredictable environment, Bibi and Ama find themselves shaken up. The people-pleasing Bibi increasingly longs for something beyond her first relationship, while the apparently independent Ama surprises herself by chasing a serious relationship. And is living together helping them move forward, or holding them back?
