

Third Act

Original title: Third Act

Third Act is a film about aging. Leo is an 80-year-old 'Peeping Tom'. On stage, he is condemned to an old age home crowded by local extras in their third age. But in real life, his wife waits for him... in a home for the elderly in Belgium. What do you do in the third and final act of your life? And what do the elderly in other countries and cultures do when the curtain is about to fall?
